Relevant Non-Governmental Organisations  
and  
All Personnel at Head Office and District Offices.**

**2011**

**From: Prem Govender**

**Date: 30 NOVEMBER 2010**

**Subject: Information Meetings (Roadshows) in respect of the National Senior Certificate Examinations:**

Please find attached information in respect of the intended National Senior Certificate Examination Roadshows that are scheduled for January / February 2011. The purpose of the Roadshows is to provide educators with the opportunity to interact and receive feedback from examiners and internal moderators regarding the marking of the 2010 National Senior Certificate Examination. Principals are therefore requested to inform all educators that were involved in the teaching of the Grade 12 curriculum to attend the scheduled meetings.

Thank you for your kind cooperation.

Prem Govender  
Director: Examinations & Assessment

## **1. INFORMATION MEETINGS IN RESPECT OF THE 2010 and 2011 NATIONAL SENIOR CERTIFICATE EXAMINATIONS**

- 1.1 The Gauteng Department of Education, Examinations & Assessment Directorate, through the Teachers' Centres, will be holding a series of information meetings concerning the National Senior Certificate (NSC) Examinations, for Grade 12 educators during **January and February 2011**. It is **imperative that all Grade 12 educators attend these meetings, since valuable information will be disseminated at these meetings.**
- 1.2 The meetings will be conducted by the examiners, chief examiners and the internal moderators for the majority of the subjects on offer by the Department. Head Office (Provincial Coordinators) and District officials (Facilitators) dealing with Curriculum and Assessment will attend these meetings to assist with the answering of questions and may also make an input into the discussions. These meetings will focus specifically on:
  - ❖ **A report-back on the marking of answer scripts of the 2010 National Senior Certificate Examinations (refer to The Roadshow Report, previously referred to as the Internal Moderator's report);**
  - ❖ **Curriculum focus of the question papers;**
  - ❖ **SBA – report back**

### **NB:**

**As all NSC papers are set by a national examination panel (except languages SAL P1, literature section comprising of only 20 marks) Gauteng has appointed a provincial examination panel to fulfil the task of liaison, interaction and leadership in respect of matters relating to question papers and marking.**

- 1.3 In order to make it as convenient and as practical as possible for all Grade 12 educators to attend, **six information meetings** will be held at various centres in the province.

**NB:** A few new schools have been added to the list of host schools in Johannesburg and Pretoria.

**Please refer to the attached roster for the dates, times and venues. Educators are expected to attend on the date and at the venue that has been specifically identified for their districts and/or subjects.**

**It is essential that schools and other institutions arrange BOOKINGS for their Grade 12 educators at least ten days in advance at one of the Teachers' Centres listed overleaf. This will eliminate any problems regarding congestion and will ensure meaningful contact with the relevant examination panels. In 2010, we experienced overcrowding at many of the venues due to lack of booking by schools. This is totally unfair on those who diligently make their bookings.**

- 1.4 A number of host schools will be used simultaneously depending on the facilities at the host schools.
- 1.5 The smaller subjects will be discussed in one or two clusters only.

- 1.6 Educators from **LSEN Schools**, and other institutions that have registered with the GDE to write the National Senior Certificate (Grade 12) must also attend the meetings.
- 1.7 Principals/ Heads of Institutions are requested to ensure that their Grade 12 educators attend one of these meetings.
- 1.8 **They must also inform all educators teaching Grade 12 learners on a part-time basis of these meetings.**

## 2. EXAMINATION GUIDELINES

The following documents will be sent out in January 2011:

- ❖ **“The Roadshow Report”, completed after the marking session**

**Educators are requested to bring their own copy of the document to the meeting that they will be attending. All principals must also have a copy of the above-mentioned document.**

## 3. PLEASE NOTE THE FOLLOWING:

- ❖ Attendance at the discussions is **free** of charge.
  - ❖ No tea/coffee or any refreshments will be served by the host school but they may have their tuckshops open.
  - ❖ The host school will **not** undertake any photocopying or faxing.
4. Principals / educators are advised to **book well in advance** so that host schools can cater for the final numbers that are faxed through to them by the Teachers' Centres.

NB: The ability of the **panel/ subject facilitators** to answer questions will depend on the nature of the questions. If any educators' questions cannot be answered we request that they submit it to the panel with their response slips and contact details. Once the questions are received at the Assessment Materials Unit all efforts will be made to contact you with the relevant response.

All responses/ requests / queries for 2010 Roadshows were forwarded to the Provincial Coordinators, District Facilitators and the examining panels.

**The memos for the NSC 2010 final examinations should be on the website by end March 2011. The memos for the NATED 550 SC Exams 2010 are on the website. ([www.education.gpg.gov.za](http://www.education.gpg.gov.za)) Under “ search” go to” School Information” then click and go to” General Education”, click and go to “grade 12,” click and go to “National Senior Certificate,” (bottom link) click and go to “Exam Papers,” “ Exam guidelines,” “ Exemplar Papers.”**

**Principals are requested to bring the entire contents of this memorandum to the attention of all Grade 12 educators.**

**KINDLY MAKE A COPY OF THE ENTIRE DOCUMENT AND CIRCULATE IT AMONG YOUR STAFF MEMBERS.**

**BOOKINGS ARE ESSENTIAL TO AVOID OVERCROWDING AND CONGESTION!**
